

DYNASTY® 300 MULTI-PROCESS

MULTI-PROCESS POWER SOURCE

MR907819002 FROM \$10,400 + GST

Easy-to-use LCD interface
with on-screen guidance

100+ synergic programs

Wide 1–300A output range across processes

Auto-Line™ handles 208–600V input power

WELDING MACHINES

DURALLOY®

200 Amp DC HF TIG With PFC & Pulse 240V/15A Package

NEW

- High-Frequency TIG & Pulse functions for precision on thin materials
- Power Factor Correction (PFC) for maximum efficiency and stability
- Ultra-lightweight and portable design tailored for site-specific work

PRODUCT CODE	PRICE + GST
DA200PFCDC	\$1,100.00

DURALLOY®

250 Amp AC/DC Pulse Tig Welder

NEW

- AC/DC TIG capability for aluminium, stainless and steel applications
- High-frequency start with pulse control for clean, precise welds on thin materials
- Power Factor Correction (PFC) for stable output and generator-friendly performance

PRODUCT CODE	PRICE + GST
DA250PFCACDC	\$2,100.00

DURALLOY®

Duralloy 320Amp AC/DC Tig 415v Water Cooled Package on Wheels

NEW

- Heavy-duty 415V industrial power for large-scale fabrication
- Integrated Water Cooling system to handle high-amperage welding
- Industrial-grade trolley mount for easy workshop maneuverability

PRODUCT CODE	PRICE + GST
DA320PACDC	\$4,990.00

WIA

Weldmatic 350i MIG SWF

- Separate Wire Feeder unit for extended reach and versatility
- High-output 350A industrial performance for trade professionals
- Robust 4-roll drive system ensuring smooth and reliable wire feed

PRODUCT CODE	PRICE + GST
CP144-1	\$3,999.00

WIA

Weldmatic 500 SWF

- 500A High-Productivity output for the most demanding projects
- Heavy fabrication with reliable duty cycle performance
- Digital Volt and Amp meters for precision monitoring of weld params

PRODUCT CODE	PRICE + GST
CP145-1	\$4,699.00

UNIMIG

Workshop 425 SWF MIG Welder

- Workshop standard 425A power for heavy-duty industrial use
- Separate SWF configuration to reduce welder movement on large jobs
- Professional Inductance control for fine-tuning the arc and spatter

PRODUCT CODE	PRICE + GST
KUM425SWF	\$4,500.00

DURALLOY®

Cut 31 Plasma 10A 240V Package

NEW

- Clean 10mm cutting capacity on mild steel and stainless steel
- Runs on a standard 10A house plug for maximum site accessibility
- Pilot Arc Start technology for smooth cutting through mesh or rust

PRODUCT CODE	PRICE + GST
DACUT31P	\$620.00

DURALLOY®

Plasma Cut 50 240V Package

NEW

- 15A Industrial power supply for increased cutting speed and depth
- Superior 16mm clean cutting capacity for professional fabrication
- Large digital pressure display for accurate air flow management

PRODUCT CODE	PRICE + GST
DACUT50	\$1,599.00

CEBORA

415V Plasma Sound PC 130/T

- Exceptional 70% Duty Cycle at 130A for high-volume production
- Advanced electronic arc control for cleaner and faster severance
- Synergic parameter control for automatic detection of torch type

PRODUCT CODE	PRICE + GST
337	\$6,950.00

18V BRUSHLESS ANGLE GRINDER 115MM / 125MM SKIN ONLY

PRODUCT CODE	PRICE + GST
DX31B	\$253.64

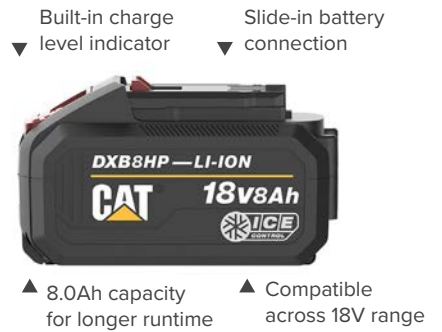

18V JOBSITE BLOWER SKIN ONLY

PRODUCT CODE	PRICE + GST
DX91B	\$108.18

18V 8.0AH BATTERY BATT/CHARGE

PRODUCT CODE	PRICE + GST
DXB8HP	\$208.18

18V BRUSHLESS RECIPROCATING SAW SKIN ONLY

PRODUCT CODE	PRICE + GST
DX52B	\$317.27

18V BRUSHLESS CIRCULAR SAW 185MM SKIN ONLY

PRODUCT CODE	PRICE + GST
DX53B	\$317.27

18V BRUSHLESS ANGLE GRINDER 125MM FLAGSHIP SKIN ONLY

PRODUCT CODE	PRICE + GST
DX3010B	\$271.82

18V BRUSHLESS DRILL DRIVER KIT PROMO KIT

PRODUCT CODE	PRICE + GST
DX112B4K	\$226.36

CAT DX131G5F 18V BRUSHLESS HAMMER DRILL KIT PROMO KIT

PRODUCT CODE	PRICE + GST
DX131G5F-PROMC	\$362.73

36V 41CM BRUSHLESS LAWN MOWER KIT

PRODUCT CODE	PRICE + GST
DG272	\$726.36

3M™ CUBITRON™

3 Fibre Disc 1182C Bucket 125mm 36 Grit (50pkt), Ute Promo

WHILE STOCK LASTS

The 3M Cubitron 3 Fibre Disc 1182C is built for fast cutting, long life and consistent grinding in tough metal fabrication work. Using 3M Precision-Shaped Grain, the disc continually fractures to expose fresh, sharp edges, helping it cut faster, stay cooler and last longer than standard fibre discs.

PRODUCT CODE	PRICE + GST
7012888353	\$199

PLUS your chance to win 1 of 5 Gozney Arc Gas Pizza Oven's

WIN A FORD RANGER

Find the winning disc in specially marked 3M™ Cubitron™ 3 1182C Fibre Disc buckets to win.

3M™ CUBITRON™

3 cutting wheel 125x1mm Tin

- Precision-shaped grain technology for faster cutting with less pressure.
- 125mm x 1.0mm profile for thin, controlled cuts on sheet and light sections.
- 22.23mm bore suits standard angle grinders on site and in workshop.
- Supplied in 50-pack tin for easy storage and reduced damage between jobs

PRODUCT CODE	PRICE + GST
7100377250	\$169
