

DURALLOY®

421 MIG SWF Package

Heavy-duty MIG performance for serious fabrication. Robust 415V three-phase MIG package with separate wire feeder, built for demanding fabrication and workshop applications.

Heavy Fabrication

General Fabrication

Structural Steel

35–400A Welding Range

Broad output range for varied fabrication requirements

40% @ 350A Duty Cycle

Supports sustained higher-output MIG welding

Heavy-Duty 4-Roll Wire Feed

Geared drive system for consistent wire feeding

10m Interconnection Leads

Provides practical working reach between the power source and feeder

DURALLOY®

Tungsten Grinder Hand Held 500W 240V

Accurate, repeatable tungsten preparation in a compact 1.2kg unit. Purpose-built for TIG electrode preparation, with multiple grinding angles, adjustable speed and three preparation functions for greater control over tungsten geometry.

- 18°, 22.5° & 30° Grinding Angles
- 1.0–3.2mm Tungsten Capacity
- 3-in-1 Preparation
- Up to 35,000 RPM

DAHGM003

\$450.00 + GST

FREE TUNGSTEN TUBE
Keep your prepared TIG tungstens stored and protected, ready for the next job.

WELDING MACHINES

DURALLOY®

421 MIG SWF Package

Heavy-duty industrial MIG package with a separate wire feeder for greater working flexibility.

LIMITED STOCKS!

- Heavy-duty 4-roll geared wire feed
- 10m interconnection leads for extended working reach
- Industrial castors on power source and wire feeder
- Temperature, voltage and current sensors

PRODUCT CODE	PRICE + GST
DA421MIGSWF	\$4,500.00

CEBORA

iQC 45M Plasma Cutter with 4m CP45 Torch & Earth Lead 240V

Compact, lightweight plasma cutting power for workshop and site work.

INCLUDED TORCH

CP45C MAR — Art. 1634

4m flexible, ultra-durable coaxial cable

- 240V | 5–45A cutting range for versatile cutting performance
- 45A @ 45% duty cycle for productive workshop cutting
- Lightweight 8kg design | IP23S rated for portability and demanding work environments

PRODUCT CODE	PRICE + GST
612	\$3,800.00

CIGWELD

BlueVenom XF186 Multi-Process Welding Inverter — 240V 10A

- MIG, TIG & Stick capability for versatile welding applications
- Up to 186A MIG & TIG output for light to medium fabrication
- MIG spool gun compatible for greater wire-feeding flexibility

PRODUCT CODE	PRICE + GST
W1400186	\$599.00

CIGWELD

BlueVenom XF210-6 Multi-Process Welder

- Six-process MIG, Pulse MIG, AC/DC TIG, Cold Weld TIG, Stick & Stick Pulse
- Single & Double Pulse MIG provides greater control across demanding welds
- 5" full-colour LCD with 60 memory slots simplifies setup and repeat jobs

PRODUCT CODE	PRICE + GST
W1400210	\$1,999.00

CIGWELD

BlueVenom XF353 3-Phase Multi-Process Welding Inverter

- Multi-process MIG, Pulse MIG, TIG & Stick for flexible fabrication work
- 350A MIG output at 40% Duty Cycle for higher-output welding
- Synergic MIG with plate thickness selection simplifies parameter setup

PRODUCT CODE	PRICE + GST
W1400353	\$3,599.00

UNIMIG

Razor Multi 200 Pulse Welder

- Single & Double Pulse MIG for greater control across demanding welds
- 100+ synergic programs simplify parameter setup
- 5" touch-screen LCD for quick, intuitive adjustments

PRODUCT CODE	PRICE + GST
U11003K	\$2,350.00

UNIMIG

Razor Cut 80 Plasma Cutter Combo Kit

- 30mm clean cuts & 35mm cutting capacity
- CNC connectivity supports automated plasma cutting setups
- Perforated cut mode helps maintain cutting across interrupted surfaces

PRODUCT CODE	PRICE + GST
PK11124	\$1,999.00

UNIMIG

Viper Multi 165 MIG/TIG/STICK Welder

- Multi-process flexibility for common welding tasks
- 10A input makes it easy to run from standard 240V power
- Up to 165A MIG output for light fabrication and repair work

PRODUCT CODE	PRICE + GST
U11006K	\$580.00

ACCESSORIES AND WELDING AIDS

LOCH

LX-40 Magnetic Drill

- Dual-magnet hold helps provide secure positioning while drilling
- Long-stroke design provides greater flexibility across drilling applications
- Automatic cooling helps manage heat during extended cutting

PRODUCT CODE	PRICE + GST
LX-40	\$1,100.00

DURALLOY®

Fold-A-Jack Stand V Head 2,300kg Pipe Stand

- V-Head supports stable positioning of pipe and tube
- Folding design makes transport and storage easier
- High load capacity for larger fabrication work

PRODUCT CODE	PRICE + GST
DA782300KG	\$235.00

DURALLOY®

GIANT MAX Pipe Stand on Casters V Head 4 Rollers 2268kg

- Roller V-Head supports easier pipe positioning and rotation
- Casters allow easier movement around the workshop
- High load capacity for larger pipe fabrication work

PRODUCT CODE	PRICE + GST
DAPSMX5PC	\$699.00

WHALESPRAY

Ceramic Anti-Spatter & Nozzle Dip Gel

- Non-flammable protection against spatter adhesion
- Extends consumable life for up to 8 hours

	PRODUCT CODE	PRICE + GST
ANTI-SPATTER	WS1805S	\$39.00 / EA
NOZZLE DIP GEL	WS1805GEL	\$59.00 / EA

DURALLOY®

Portable Hand Spot Welder 240v

- 240V / 15A portable spot welder
- 20–100% current & 1–100 cycle time adjustment
- Suits steel, galvanised steel & stainless steel

PRODUCT CODE	PRICE + GST
DAHSP-45	\$990.00

PROFAX

Turning Rolls 240v

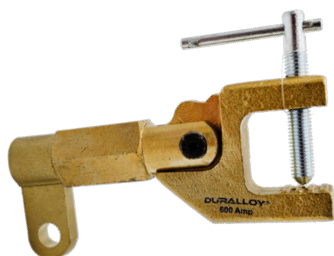

- Drive-and-idler turning roll setup
- Up to 75 IPM rotation
- Rubber-wheel stability

PRODUCT CODE	PRICE + GST
TR2000-2	\$3,600.00

DURALLOY®

Extra Heavy Duty Dual Rotary Ground Earth Clamp 600A

- Rotary design allows easier positioning during fabrication
- Suited to high-current welding applications

PRODUCT CODE	PRICE + GST
DAECR600L	\$92.00

DURALLOY®

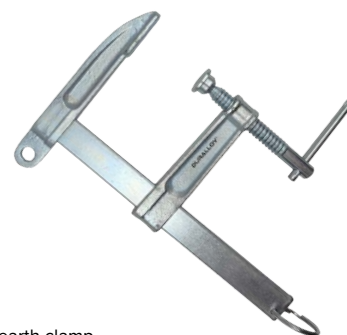

Welders Heavy Duty C Clamp

PRODUCT CODE	SIZE	PRICE + GST
DACLAMP2	50mm	\$22.00 / EA
DACLAMP4	100mm	\$39.00 / EA
DACLAMP6	150mm	\$54.00 / EA
DACLAMP8	200mm	\$66.00 / EA
DACLAMP10	250mm	\$99.00 / EA
DACLAMP12	300mm	\$147.00 / EA

DURALLOY®

F Earth Clamp 400A

- 400A earth clamp
- 50mm size
- Secure connection to the workpiece

PRODUCT CODE	PRICE + GST
DACLAMP-EARTH	\$29.00 / EA

NEW WORKSHOP ACCESSORIES

WELD-AID®

Lube-Matic® Kleener Red Cleaning Pad Pack 6

NEW

- Cleans and polishes welding wire
- Removes dirt and surface contaminants for smoother wire feeding
- Suitable for all wire types, including aluminium

PRODUCT CODE	PRICE + GST
007061	\$19.00

WELD-AID®

Lube-Matic® Lube Pads Pre-Treated Lube Pad

NEW

- Pre-treated cleaning and lubricating pad
- Lubricates steel wire for smoother feeding
- Helps extend tip and liner life

PRODUCT CODE	PRICE + GST
1008160	\$19.00

WELD-AID®

Lube-Matic® Wire Cleaner & Lubricant

NEW

- Cleans and lubricates welding wire as it feeds
- Helps promote smooth wire feeding through longer liners

PRODUCT CODE	PRICE + GST
1008222	\$15.00

WELD-AID®

Weld-Kleen® HD Anti-Spatter 566g

NEW

- Quick-drying, non-flammable anti-spatter
- Helps protect parts, clamps, tooling and fixtures
- Accepts pre-heating

PRODUCT CODE	PRICE + GST
1008204	\$16.00

WELD-AID®

Nozzle-Kleen #2® Anti-Spatter 453g

NEW

- Non-flammable aerosol anti-spatter
- Paintable and contains no fluorocarbons
- Effective in most welding applications

PRODUCT CODE	PRICE + GST
1008203	\$20.00

WELD-AID®

Nozzle-Dip HD® Anti-Spatter Dip Gel 946mL

NEW

- Reduces spatter build-up on nozzles and tips
- Can be used hot or cold without migrating into the liner
- Cooling properties help extend tip and nozzle life

PRODUCT CODE	PRICE + GST
1008137	\$35.00

WELD-AID®

Weld-Kleen® 350 Anti-Spatter

NEW

- Water-based, non-flammable anti-spatter
- Helps protect parts, clamps, tooling and fixtures
- Versatile across a range of base metals

PRODUCT CODE	SIZE / VARIANT	PRICE + GST
1008193	1 GAL	\$36.00
1008183	5 GAL	\$205.00
1008184	55 GAL	Contact us for pricing

DURALLOY®

Aluminium Tube for TIG Tungstens

NEW

- Convenient storage for TIG tungsten electrodes
- Helps keep tungstens organised and ready for use

PRODUCT CODE	PRICE + GST
TUNGTUBE	\$7.50

INTRODUCTORY OFFER!
